

# CANDELARIA BARCELO

Vicente López, Buenos Aires, Argentina

+ 54 9 11 3391 7878 – [barcelo.candelaria@gmail.com](mailto:barcelo.candelaria@gmail.com)

[linkedin.com/in/candelaria-barcelo](https://linkedin.com/in/candelaria-barcelo) – [github.com/candebarcelo](https://github.com/candebarcelo)

## Tech Skills

---

JavaScript • CSS3 • HTML5 • Python • SQL • React.js • Redux • Node.js •  
Express.js • TypeScript • Bootstrap • Flask • Selenium • Git • Postman APIs •  
UiPath

## Education

---

### University of Buenos Aires

2018 – 2024 Degree in Information Systems (IT): I changed my degree from Business Administration to Information Systems in 2022, but since both have several subjects in common, I've already completed 60% of the degree, with a GPA of 8.23/10.

2018 – 2025 Degree in Business Administration: Currently, this degree is on pause while I finish my degree in Information Systems, but when I do, I will only need one more year to finish this one.

### Zero to Mastery Academy

2022 Complete Web Developer in 2022  
2021 Complete Python Developer in 2022  
In progress Junior to Senior Developer Roadmap

## Experience

---

### Independent

12/2021 – pres.

#### Full Stack Developer:

[Link](#) Brainiac project: Developed a web app which performs facial recognition on pictures that the user submits. Includes frontend design, user authentication, interaction with APIs and database management. Stack used: JavaScript, CSS, HTML, React.js, Node.js, Express.js, Postman, PostgreSQL, Heroku.

[Link](#) Robofriends project: Created "Friends" page of the Robofriends web app, which receives a friends list via an API, generates a random image for each friend through another API and allows the user to filter their friends through a search box. Stack used: JavaScript, CSS, HTML, React.js (+ React Hooks), Git Pages.

### Accenture

11/2020 – pres.

#### SSR Tax Analyst:

In addition to previous tasks:

- Planned and executed training sessions for new joiners.
- Directed inter-area meetings to solve problems.
- Optimized some of the processes through the creation of macros, scripts and complex formula systems on Excel.
- Strengthened the follow-up process for the cases derived to other areas, and implemented new revisions.

#### Tax Associate:

- Calculated and prepared taxes using SAP, ORACLE, Excel, GoSocket and Quinde Fee.

- Presented tax returns, annexes (ATS, SRI-DIMM) and forms (IPP, EMM01) on the revenue authorities' websites, specializing in Chilean and Ecuadorian taxes, and providing support for Colombia, Uruguay, Bolivia, Paraguay, Argentina, and Peru (PLE).
- Performed tax account reconciliations and determined necessary adjustments.
- Managed every problem to be solved, from detection, to the creation of an action plan, to its execution, in cooperation with every pertinent area from the client, providers and other consultants.

## **Languages**

---

Spanish: mother tongue.

English: expert (C2 CEFR level).

Cambridge University Certifications:

- C2 Certificate of Proficiency in English (2018).
- C2 Certificate of Advanced English (2016).
- C1 First Certificate of English (2015).
- B1 Preliminary English Test (2012).

French: basic.

## **Volunteering Experience**

---

2019 – pres. **San Isidro Cathedral**

Group Coordinator: Led volunteer groups, organizing social service activities for others. Also headed different internal groups for teenagers, children and adults, planning and executing activities for them, while guiding and accompanying them towards common objectives.
